Dear Sir:

Applicant hereby requests that a corrected Filing Receipt be issued in the above-identified patent application. The official Filing Receipt received by Applicant, a copy of which is attached hereto, has an error in:

**** the Title ** should read: ** Installation for Transmission of Electric Power ****

Applicant additionally requests that all pertinent U.S. Patent and Trademark Office records relating to the subject application be changed to reflect this correction. It is believed that no fee(s) are due for the submission of this Request due to the error made by the U.S. Patent and Trademark Office.

Dated: September 25, 2009

Respectfully submitted,
